SECOND REQUEST

S I R:

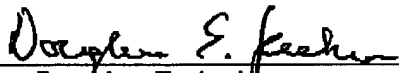

On January 16, 2007, an Application Data Sheet for the above-identified application was filed to correct the inventor's country of residence to the United Kingdom or UK (from the incorrect country of Denmark or DK). This Application Data Sheet has been entered in PAIR.

However, no correction has been effected in PAIR to show the correct country of residence of the inventor as UK (or United Kingdom). Therefore, correction of the records of the Patent Office and an acknowledgement that such a correction has been effected in hereby requested.

If some other remedial action is required, please contact the undersigned attorney of record as soon as practical.

Respectfully submitted,

Date: April 4, 2008
